

The Dalles Pistol and Rifle Club

Minutes of Meeting
September 13, 2017

Meeting called to order at 7pm by Zac Worth

Minutes of July meeting were read and approved

Treasures report was read and approved

Range report:

Indoor range is closed due to Senior Center remodeling. Vents are not complete. Tentatively open to shoot on Monday, but not Wednesdays as soundproofing is not complete. Oregon Equipment is working on ducts. There may be need to form a work committee for sound proofing work.

Hand gun classes: Matt and Kathleen have discussed may be able to start after the first of the year. Parks and recreation had not been helpful at last classes, probably will not contact them again. There is a possibility to use Community College for classes, similar to White Salmon club

Old Business:

Website Access: Matt and Kevin have gained access to website, bill has been paid to maintain site.

Kevin spoke with Sheyanne, no one seems to know who set up site in first place. We may have to start fresh with new design.

Dave suggested we look into WIX as web design tool. It was suggested we need a webmaster/media outreach person.

New Business:

Postal match has put out new schedule (Pistol only). No info yet on costs, etc. Rifle team would like to have new members for 4 position small bore. Let Kathleen know if you are interested.

Condolence cards to be sent to families of 2 club members who have passed away.

Kathleen reported that Dan Brophy turned in some info on land for sale, but appears not suitable for outdoor range.

Need to schedule Conex inspection.

Meeting adjourned at 7:57pm.

After meeting 3 board members present approved expenditure of \$500 for insurance. (New Amount necessitated approval)

Respectfully submitted

Richard Adams

Secretary
